

153

1500 lbs (680 kg) Capacity

**1500-lb. (680 kg) Capacity
SERIOUS POWER**

When you need power, real power, you need a 153 from Thomas Equipment. It begins with a hardy and vigorous Kubota 4-cylinder diesel engine rated at 46 hp (34.3kW). You won't find a rubber band drive system in this loader. Power is transferred from the engine to the loader's hydrostatic pumps through an easily serviceable universal joint. You'll muscle your way through any job thanks to a heavy-duty 100-chain drive that provides powerful traction and pushing power to the wheels. A full 1500-lb. (680kg) lifting capacity combined with over 4150 lbs. (1882kg) of breakout force allows the THOMAS 153 to make quick work of any job.

Brief summary (please visit the "specifications" section for the details):

Performance:

Lift Capacity	680 kg
Travel Speed	9.7 km/h
Operating Weight	2504 kg

Engine:

Make/Model	Kubota/V2203E
Power, ISO Net kW	34.3 (46) Net hp
Number of Cylinders	4
Displacement	2197 cc

Hydraulics:

Hydraulic Pump Output	62.8 l/m
System Relief Pressure	165.5 BAR
Number of Bucket Cylinders	2
Breakout Force	1882 kg
Hyd. Reservoir Capacity	30.3 L

Dimensional:

Height to Hinge Pin	2794 mm
Height to Top of Cab	1867 mm
Bucket Width	1524 mm
Wheelbase	889 mm
